Guard the welfare of your school children—if you own property in the proposed Moorpark School annexation area, make it a point to add your name to the petitions being circulated against the annexation.

If San Jose takes Moorpark school, your children in Campbell Elementary School will be studying in crowded quarters. Give them a chance.

Trustees To Present Tentative Building Plans

DRIVE-IN THEATER DRAWS STRONG OPPOSITION IN CAMBRIAN AREA

Plans for the construction of a drive-in theater on the northerly extension of McGlincey Lane where it extends off Casey Road ran into a stone wall of opposition in the form of the Cambrian Men's Club and Cambrian Home and School Club Wednesday at a hearing held before the County Planning Commission.

Rezoning applicant was J. M. Reiter, who was represented by Attorney Paul Gallagher. Amount of property for which rezoning is sought is 15½ acres.

Heading the opposing group was M. J. Saia, representing Cambrian Men's Club, and Mrs. Amy Roberts, of Cambrian Home and School Club. They ventured residents of the district were concerned about additional traffic hazards which would be created by the erection of a drive-in movie theater.

Second hearing on the rezoning application is set for February 1.

SHOPPING CENTER

Another matter given first hearing, on which no opposition was registered, was the petition of Jack and Elsie Bond to reclassify property on the northwest and southwest corners of San Jose-Los Gatos Road and Elliott Avenue. The board took testimony of applicants who ask rezoning from an A-2:B-D to a C-2-H zone in order to carry out plans for development of a shopping center on the land. The lots are numbers five to 10 of the Elliott Subdivision.

Jack Bond's application for modification of his use permit to allow issuance of on-sale liquor license for his restaurant was granted by the board. The matter was taken under advisement during December following hearing on the application. Bond specified that there would be no bar in his eatery, the Red Coach Inn on San Jose-Los Gatos Road at Elliott Drive. Cocktails or other drinks would be served to diners at tables, he said.

Next hearing on the Bond rezoning petition will be conducted by the planners on Wednesday, February 1.

Petition of J. H. Rodda and San Jose Title and Abstract Co. to reclassify property at the southeast corner of Eden Avenue and Williams Road was taken under advisement by the commission when nobody appeared at the second hearing Monday to either protest or support the matter. Not even the petitioners were present. They seek rezoning from R-1:B-D to C-1-H classification. Decision will be given by the board on January 18, the date set for finding on a related petition, that of Y. Archibald for rezoning of the opposite corner. Archibald asks a C-2 zoning for the southwest corner. Development plans include a shopping center at the intersection.

Grange Outlines 1950 Plans At Year End Meeting

Orchard City Grange 333 held its regular meeting in the IOOF Hall Tuesday evening, December 27. In spite of the holiday season there was a very good attendance.

As the New Year was approaching, it was felt opportune to dispense with a lecture period, and devote the time to the formulating of plans for the year 1950.

Mr. and Mrs. Clifford N. McCoy were elected to membership.

Mervyn Keesling reported that the 1949 prune crop has been delivered into the hands of buyers.

Wesley Youngclaus, able chairman and chief cook for the men, reported that $100.87 was made on the ham dinner which the men had served at the previous meeting. The Grange hopes to have a similar dinner again sometime in 1950.

The Community Service Committee reported that they had held several meetings. One of the projects is the sponsoring of the Campbell "Future Farmers" and a revolving loan fund. Five new members were added to the Community Service Committee.

Master Martin S. Walsh gave his report on the State and National Grange Conventions held in Sacramento.

Mr. and Mrs. Mervyn Keesling were appointed chairmen of a committee to arrange for a card party to be held Saturday night, February 25, 1950.

Many plans and much work was outlined for the year 1950.

The new officers will be installed at a joint meeting in Sunnyvale Saturday, January 7, 1950.

Refreshments were served in the social hall following adjournment.

FATHER-IN-LAW OF LOCAL SCHOOL PRINCIPAL DIES

Charles W. Hamilton, 73, a native of San Jose and the father-in-law of Laurance J. Hill, principal and district superintendent of Campbell Union High School, died unexpectedly December 31 in the corridor of a San Jose hospital after visiting his ill wife, Mrs. Florence Hamilton.

The life-long resident of San Jose operated the Hamilton Gravel Company along with a small ranch. Funeral services were conducted Tuesday January 3, at 1:30 p.m. in San Jose. Interment was at Oak Hill.

Surviving are his widow, Florence; his daughter, Mrs. Hill, of Campbell; a step-son, Lewis Woodfill, Santa Clara; and brothers and sisters, George and Clara Hamilton and Mrs. Eva Baird, all of San Jose; Mrs. Hattie Salow, Pasadena; and Mrs. Grace Cator.

Rotary To Hear Bill Williams On Vocational Service

Bill Williams, district manager of the Pacific Telephone and Telegraph company in San Jose, will speak before Campbell Rotarians next Monday on "Vocational Service."

This will be the first meeting of the new year for Rotarians. President Forrest Reese will preside at the noon session in the Campbell IOOF Hall.

Campbell Legion Post Spurs Efforts In Behalf Of VA Hospital Patients

Recent scandalous revelations by the Veterans Administration of the lack of concern on the part of the public and especially relatives of patients in mental wards in V. A. hospitals, has spurred the Hospital Patients and Welfare Committee of the Campbell American Legion Post to call for a renewed effort on the part of the post and Auxiliary as a whole.

Vice-commander Clarence Fagalde, post chairman of the committee, appealed to the membership at their last regularly scheduled meeting held Wednesday night, December 28, to schedule their time so that they can participate in these visits some time during the year. Additional help is greatly needed.

During the past several years, on the third Tuesday of every month, this committee has sponsored entertainment programs for

Mintkenbaughs Enjoy Holiday Trip

Mr. and Mrs. Grover J. Mintkenbaugh have returned to their Campbell home after a week's vacation in southern California and Mexico. The trip took the Campbell couple to Tiajuana, just south of the border into Mexico, Catalina Island, and Los Angeles. Weather during the journey was ideal, according to Mrs. Mintkenbaugh. Mr. and Mrs. Mintkenbaugh re-opened their M&M Ice Cream shop for business on Tuesday.

300 Signatures Against Moorpark Area Annexation

Signatures covering 300 parcels of the estimated 660 parcels of land included in the Moorpark annexation area have already been obtained on petitions opposing annexation of the district to San Jose.

Wade Brummal of The Bulletin, one of the many residents active in the anti-annexation movement, said today that petition circulators will endeavor to obtain signatures covering at least 51 percent of the individual parcels. With 51 percent the annexation election can be called off.

Petition circulators have until January 23 to obtain the necessary percentage of property owners' signatures. On that date the San Jose City Council will hold a protest meeting on the annexation proposal. Petitions must be prosented at that time. Attorneys Paul Gallagher and James Foley, representing the anti-annexation residents, will retain photostatic copies of the petitions.

The annexation area boundaries are: on the north, Stevens Creek Road; oon the east, San Jose-Los Gatos Road; on the west, a line on the western boundary of Moorpark School; on the south, the lower limits of the school and continuing along a line cutting through the County Hospital grounds to a depth of 200 feet.

If the signatures, when checked by the council, prove to be authentic, then the election can be killed for at least one year, said Brummal.

ONE SIGNS 155

Twenty-five residents of the area are circulating the petitions. One woman, Mrs. L. O. Goodness of Flagg Avenue, a member of the Parent-Teacher Association, has obtained about 155 signatures. Campbell residents who own parcels of land in the annexation area may contact Larry Reeder, 426 Bradley Avenue, phone CY 5-8533, and he will have a petition sent to the resident for signature.

Brummal pointed out that if Moorpark School is annexed to San Jose, it will mean that Campbell Elementary School will probably have to go on double session in order to handle the addional 500 children now attending Moorpark School. This will mean increased costs to Campbell taxpayers, plus crowded school facilities for their children. If San Jose should agree to accept the children for continued schooling at Moorpark, increased cost of $40 over the present rate per pupil for schooling would probably have to come out of Campbell school tax funds.

Old Settlers' Day Chairmen To Meet On Plan Details

General Chairman William C. Henley of the Old Settlers' Day committee, has called a meeting of committee chairmen for Tuesday, January 10 at 8 p.m. in the Campbell Elementary School district administration office, 111 N. Third Street.

During the meeting the group will review general plans and begin detailed planning for the annual February 22 event in Campbell.

Henley has asked the chairmen to submit requests for financial assistance, if any, at the meeting Tuesday.

Campbell Has One Of 17 Mumps Cases In SC County

One case of mumps was reported in Campbell for the week ending December 31, the Santa Clara County Health Department announced this week. Seventeen cases of mumps were reported for the county, including three in Los Gatos, two in Los Gatos rural area, five in Palo Alto, one in Santa Clara, one in Mountain View rural, four in San Jose rural and the one in Campbell.

Two-Fold Problem Confronts Board If San Jose Annexes Moorpark School

"OPEN LETTER TO RESIDENTS OF THE CAMPBELL ELEMENTARY SCHOOL DISTRICT:

Under the State Financial Program that was recently voted on the November ballot under Proposition No. 1 and now known as Chapter 1389, the Board of Trustees of the Campbell Union School District proposes the following:

"If money is available from the State as indicated by the Statutes, to purchase several new school sites; to build several new schools; to completely finish all existing facilities; and to construct Cafetoriums on all school sites of the Campbell School District.

"In answer to the many inquiries concerning the inter-district problem, that would be created should the Moorpark School of the Campbell Union School District be annexed to the City of San Jose, the Board wishes to state thus:

"The education of an elementary school child in the San Jose Unified School District costs approximately $40.00 per year more than it does in the Campbell Union School District according to costs taken from the 1948-49 school year. Should the San Jose Unified School District be willing to educate some 500 students who now attend the Moorpark School and who are outside of the proposed annexation area, it would undoubtedly expect to be reimbursed this forty additional dollars per pupil, which would cost the Campbell Union School District approximately $20,000 per year more than it would cost the Campbell School District for their own educational program—an amount which they could not afford to pay. Therefore, it would probably be necessary to place a great many students of the Campbell Union School District on double sessions until such time as additional school facilities could be built. There has been no contract between the Campbell Union School District and the San Jose Unified School District concerning the mass education of some 500 students, should annexation be accomplished."

Signed: Board of Trustees of Campbell Union School District.

BOARD RETAINS CONTROL OVER MORTUARY ARCHITECTURE AS IT APPROVES CATALPA LANE REZONING

Campbell mortician David F. Rutherford will be able to proceed with plans for erection of a new funeral home on Catalpa Lane. Santa Clara County Planning Commission on Wednesday, by a 3-2 vote, approved a light commercial zoning for the two lots following petition of the seller E. R. Kennedy for re-classification.

During public hearings held in November and December on the petition, neighboring property owners in the Catalpa Lane area protested that rezoning would permit encroachment on the resdential neighborhood by used car and garage businesses. They charged that such uses would reduce property values. In addition, protestants, claimed the funeral home would cause traffic congestion in the area.

ARCHITECTURAL CONTROL

Property is located on the northwest and southwest corners of Santa Clara-Los Gatos Road (Winchester Road and Catalpa Lane, and the southeast corner of Santa Clara-Los Gatos Road and Sunnyside Avenue. Although Kennedy asked rezoning from R-1:B-D to C-2 zoning, the commission granted a C-1-H zoning which gives the commission control over architectural plans for the lots. Rutherford will have to apply for a use permit for the property, and the commission indicated that adequate parking space will be required.

Rutherford expressed satisfaction with the light commercial zoning granted, and declared, "I am perfectly willing to abide by the control provisions. That is a perfectly reasonable requirement of the Planning Commission." The mortician said he believed property owners in the area were entitled to the control provisions.

In addition to the two lots on the corner of Catalpa and Winchester, providing an area with approximately 130 feet frontage, and depth of 125 feet, Rutherford has bought an option on another lot to the west of these and facing on Catalpa. On this lot he plans to build a residence for himself and family.

When asked about construction plans for the mortuary, Rutherford said he hoped "to build a modern mortuary at the site in the near future, as soon as financial means develop." He has a contract of purchase on the two future mortuary lots.

Prior to establishing his business in Campbell, Rutherford was in partnership in a funeral business in Porterville. He came to Campbell 10 years ago and opened his mortuary at its present location, 101 N. Winchester Road, Campbell's first funeral home. He has lived in or near San Jose most of his life.

CORRECTION

In the advertisement of J&A FOOD MART appearing on page five of this issue of The Campbell Press, there are Free Gifts advertised for February 2. Instead of the advertised date, the gifts will be given free starting at 4 p.m. Thursday, January 26, 1950.

Elementary School Board To Confer With State Planning Division On Needs; May Ask Up To $1 Million Fund Aid

Campbell Elementary School's board of trustees and District Superintendent William C. Henley will confer with Paul Rivers of the Division of School Planning, State Board of Education, next Wednesday in Sacramento.

The board will submit its proposed future building plans under Chapter 1389 of the Statute of 1949 (Proposition One passed at the November 8 election) for justification in order to apply for state school aid funds. The district may ask up to $1,000,000 in support under the program.

If sufficient money is available, the board hopes to complete all unfinished buildings in the district and proposes to buy new locations and erect new schools to handle future heavy enrollment increases. Also included in the program are cafetoriums for each school in the district. According to statistics prepared under state formula, total enrollment in the local district may reach 3800 by October, 1951. At present the enrollment is slightly under 2400.

NORMAN LAMB IS NEW PREXY OF COUNTY GROUP

Election of Norman A. Lamb, Campbell building contractor of 23 El Caminito Avenue, to the post of president highlighted the meeting of the Santa Clara County Builders Exchange held Wednesday night in Hotel De Anza.

The Campbell resident succeeds Charles Field, outgoing president, who installed the incoming officers of the Builders Exchange. Other new officers of the group include: Leo Fairbanks, building material dealer, vice-president; Jack Huber, painting contractor, secretary; and Al Aiton, PG&E employe, treasurer.

The board of directors for 1950 consists of President Lamb, George Honore, Charles Field, Robert Dodge, William Serpa, Leo Fairbanks, Jack Huber, Andy Phillips, William Wood, Al Aiton, William Brochier, Roland Campbell, Lee Doud, Irving Butcher and John T. Somers. Representation of this board includes general contractors, roofers, plumbers, electrical dealers, lumber dealers, material dealers, floor dealers, painters, and public utilities.

Henley Installed As President Of Kiwanis Club

William C. Henley was installed as president of the Campbell Kiwanis Club Tuesday noon in ceremonies held during the regular luncheon meeting. Fred R. Jones took office as vice president; Guy E. Farley, secretary; Ethan Lanphear, treasurer; Lowell Benson, immediate past president. Henley is superintendent of the Campbell Elementary School district.

Directors are Jim Arends, Norm Corvello, Carl B. Field, Joseph Gomes, Clarence Nelson, Henry Jewell and Lawrence "Bill" Means.

At next week's meeting Attorney Martin S. Walsh, acting as his own chairman, will speak on "Exploding a Myth."

Mrs. Ann K. Drexel Awarded $3000 For Husband's Death

Mrs. Ann K. Drexel of Campbell, wife of the late Robert Drexel, chief investigator for the District Attorney's office, has been awarded $3000 to compromise her claim for the death of her husband in an auto crash November 8 on the Pacheco Pass Highway.

This announcement was made Saturday when she compromised claim of her son, Warner Drexel, 9, against the Valley Motor Lines, Inc., Fresno, for $5000 for death of his father.

The chief investigator met his death when an auto he was driving struck a truck, throwing Drexel under the wheels of the heavy vehicle. Attorney Daniel K. Feeley represented Mrs. Drexel.

Legion Patrol Supports Move For Traffic Lights

Erring motorists, a Peeping Tom and an attempted burglary kept Campbell Volunteer Legion Patrolmen busy during the month of December. According to their monthly report, the patrol put in 732 man hours on duty, covered 1009 miles in patrol cars and worked at traffic control for eight hours.

During those hours on duty they made two arrests, one for parking in front of a fire plug and the other for three traffic violations.

Patrolmen investigated a report of a Peeping Tom; discovered and reported a fire to the County Fire District office, and warned 22 motorists about traffic violations.

They answered a call to 14 Alice Way on the night of December 31, where Miss Florence Kennedy told them someone had pulled the main switch outside, and removed the screen on a bathroom window in an attempt to enter the house. Footprints were still visible on the grass.

TRAFFIC LIGHTS

The patrol, made up of members of the Campbell American Legion Post 596, has announced its support of the Legion's campaign to have traffic control signals installed at the intersection of Campbell Avenue and Winchester Road. The post announced initial steps toward this end at their meeting December 28, and will make a request to the County Board of Supervisors for these lights.

'Carrots' Is Meat; He May Have Been A Treat To Eat

Has anyonoe seen "Carrots," a 3-month-old Duroc-Berkshire pig, running around in this neighborhood? The disappearance Saturday has sent Al Smith, Campbell High School agriculture teacher and advisor of the Campbell chapter of Future Farmers of America, and his students on a fruitless search.

"Carrots" was being quartered on the Smith ranch at Vasona Junction. Co-owners Charley Gibbins and Harley Thompson were readying the pig for entry in the Junior Livestock Show to be conducted in the San Francisco Cow Palace in April. The young Duroc-Berkshire, a relative of a grand champion, weighed in at 100 lbs. and was red with black spots.

The Campbell High teacher noticed that the pig was missing on Saturday night. The fence surrounding the pen was slightly bent. Smith said that members of FFA are still looking for the missing pig. However, he remarked that some unknown party probably enjoyed "pork" for their New Year's dinner.

Smith and his students still hope for "Carrots" to turn up unharmed. Anyone knowing the whereabouts of the animal is requested to contact Smith at the school or at Campbell 3952.

Frank Triena, Richard Gordon Will Perform January 20 In San Jose String Quartet Concert at Montgy. Theater

Two Campbell men, Mr. Frank Triena and Mr. Richard Gordon, will perform in the San Jose String Quartet concert January 20 in the Montgomery Theater of the San Jose Civic Auditorium. Mr. Triena, first violinist with the group, is director of music and conducts the orchestra and choir at Campbell Union High School. He also plays with the San Jose Symphony orchestra.

Mr. Gordon, who has been instructor in music at Campbell Elementary School for many years, is second violinist of the quartet. He formerly played with the San Jose Symphony orchestra.

The public is invited to attend the concert which will begin at 8 p.m. There will be no admission charge. Selections to be performed will include: Quartet No. 2 by Haydn; Quartet No. 1 by Prokofieff; Quintet in E flat major by Schumann, with William Erlendson of San Jose State College assisting at the piano.

Other members of the quartet are Clifford Cunha, viola, and Michael Donovan, 'cello.

This is the second season of performances for the quartet, and a series of three concerts are planned for the current season. Mr. Triena organized the group last year and is its director. Their first appearance as an organization was last spring at the Campbell Methodist Church silver tea. They gave their first regular concert last year in the Montgomery Theater.

Moorpark PTA To See Film On Highway Safety

"Fathers' Night" will be observed at the next Moorpark PTA meeting, Tuesday, January 10, 7:30 p.m. at Moorpark School, when fathers take over as executive officers for the evening.

A movie, "Safety on the Highways," will be presented by Marcus Swengel, safety chairman and sixth grade instructor at the school. Also featured will be a report on recent recommended movies by Mrs. Jack Turner, movie chairman.

Preceding the program, dessert will be herved by third grade mothers, hostesses for the meeting.

WSCS Planning All-Day Session And Luncheon

The Women's Society for Christian Service of the Campbell Methodist Church will hold its all-day meeting of the general society on Thursday, Jan. 12, at the parish house. The day will begin with an executive board meeting at 10:30 a.m., followed by the general luncheon at 12 noon. The general meeting and program will begin at the close of the luncheon hour.

Mrs. Voorhees has since returned to Santa Fe.

Healthful Environment Important To Child's Development, Says Speaker For Cambrian Home and School Club

Hulda Hoover MacLean was the guest speaker Wednesday at the Cambrian Home and School Club meeting in the Youth Center. "What Kind of Community Environment Do You Want Your Child To Have?" was her topic.

Under her subject heading were two types of health requirements for the growing child. Environment affects mental and physical health, she said. Physical health has to do with fresh air, climate, water and safety, she continued. The speaker complimented the club and Cambrian Elementary School for its traffic safety program which contributes to the physical health of the school child.

MENTAL HEALTH

Turning to the mental and emotional health phase, she spoke of the need for watchfulness in the recreational enviornment of the child. Cambrian school has done much to care for the safety of the child's mental health, but warned against other factors which tend to influence the child's emotions.

During the meeting she listened to members' discussion of a proposed drive-in theater for the area. When the club voted to oppose such a theater, Mrs. MacLean commended the parents on their decision, saying this was one of the factors which must be watched if the child's environment is to provide for sound mental health.

She outlined healthful extra-curricular activities for each group, suggesting a 'teen-agers' canteen in the high school; folk dancing groups for junior high school age group; scouting and cub groups for the lower grade group, and cooperative nurseries for the very young.

In closing, Mrs. MacLean told club members that she was favorably impressed by both the Cambrian school and community programs which seek to provide healthful environment for youngsters of the area.

Prior to Mrs. MacLean's talk, club members enjoyed dessert luncheon of snowball cake, green divinity and coffee served by the kindergarten mothers. The youth center meeting room was decorated with streamers of crepe paper and brightly colored balloons. Sprays of pyracantha added a touch of the holiday season to the arrangements.

Need for school orchestra musical instruments was outlined to the group. They were told that the club will be interested in borrowing or purchasing instruments for this purpose. Those who have orchestra instruments which they are willing to contribute for this purpose are asked to call Principal Delos Bagby at the school.

Next club meeting will be on Wednesday, February 1, at the school.

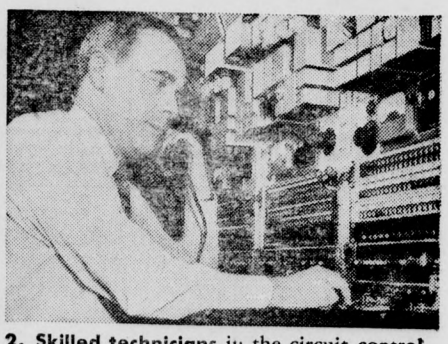
Your voice can reach some 85 countries as easily as a nearby town. The low rates may surprise you.

"Calling Tokyo...4250"
How overseas service puts the world by your telephone

1. For doing business and keeping in touch with friends, overseas telephone service has become an everyday tool. In its twenty-two years, the calling rate has jumped from about 2,300 calls a year to 600,000. Today, your voice can be sent over short-wave radio to ninety-four per cent of the world's telephones ...over circuits as long as 8,000 miles.



2. Skilled technicians in the circuit control room keep constant watch on their equipment to make sure your voice can hurdle the earth and still sound about as clear as a cross-town call. And overseas service is easy to use. Your Long Distance operator will give you the rates, the best time to call... and set up an appointment call for you if you wish.

3. In 1927, the lowest overseas rate from the West was $84.00. Now the maximum to most countries is $12.00 (plus tax) for three minutes. Many calls cost less. Making it possible to call almost anyone, at low cost, is another way we've made your telephone more valuable.

MRS. WILLIAM AMMON, 110 W. Campbell Avenue, a member of the Santa Clara County Kennel Club trophy committee, has already started preparations for the annual dog show which is scheduled for April 2 at the county fair grounds in San Jose. The Campbell resident indicated an all out effort is being made to make this coming dog show the biggest and best to date. Beautiful trophies will be presented to the winners in the various groups. The kennel club is also attempting to obtain some of the best dog judges in the county and nation for this April affair. Mrs. Ammon, who is widely known for her work with Dalmatian dogs, attended a Dalmatian club dinner in San Francisco last Tuesday evening.

During Christmas festivities at the home of MR. AND MRS. JOSEPH CARVALHO there was additional reason for gaiety. Both the Carvalho's sons, EDDIE and BEN CARVALHO were home for the holidays, and another who spent Christmas with the family was MISS GEORGIA MILLER of Coalinga. Miss Miller and Ben Carvalho revealed their engagement on Christmas Eve. Ben is a salesman for Shepperd Chevrolet Company in Coalinga where Miss Miller is on the staff of the Coalinga bank. The two met in Denver, Colorado, where Ben was attending the Horsemanship Academy. Miss Miller is a native of Iowa. Her future brother-in-law, Eddie Carvalho, is a senior at Fresno State College.

More About Campbell Legion

(Continued from page 1)

mental patients in Ward 17 at the Palo Alto Veterans Hospital. One year ago, the post and auxiliary unanimously voted to adopt Ward 17 as a permanent project. Reports from the hospital indicate that these visits have done an inestimable amount of good and the patients look forward eagerly to these monthly programs.

REHABILITATION AIM

Guy Smith, 13th District chairman of the hospital and patients welfare committee, substantiated Fagalde's plea by pointing out the fact that the founding of the American Legion was based on the rehabilitation of the returning veteran. It has continued to be the cardinal point of the Legion's organization.

From a therapeutic standpoint, Smith said, this personal contact relaxes the patient, putting him completely at ease. This tension relief helps the patient to clearly present a symptomatic picture to the psychiatrist. This makes the job of diagnosis and treatment simpler, thereby quickly putting the patient back on the road to health.

Particular emphasis is placed on the value of music. Commander Leo Parks has asked that if anyone has an old piano he would like to contribute to the post for presentation to the hospital, contact the Campbell Press, Campbell 3442.

Open House At High School Next Wednesday

Campbell High School Parent-Teacher Association will hold open house at the high school on Wednesday, January 11 at 7:15 p.m. The Campbell Grammar School unit will be guests of the evening.

High School Principal Laurence J. Hill will hold a special session in the school library at 8 p.m. for parents of grammar school pupils at which he will explain work being done in the high school.

There will be a general assembly at 8 p.m. in the auditorium. Refreshments will be served in Buc's Cove immediately following the program. The high school PTA will be hostesses.

An executive board meeting will be held in Hill's Office at 1:30 p.m., January 11.

Program for the open house will follow the regular school time class schedule. Parents will attend a series of 10-minute classes like those which their children attend at the school.

Parents are urged to attend. Notice of the program is being sent to parents through their children.

Public School Night is being held earlier this year in order to give parents an opportunity to meet their children's teachers before school is over. During the class periods they will learn objectives and requirements of the classes. The first session will begin at 7:30 p.m.

There will be an art exhibit in the art classroom plus an art display in the lobby of the auditorium where students will be seen doing the various types of art work taught in the school.

The assembly will serve also as a PTA meeting. For the program there will be orchestra music, plus the main feature of the evening, a play written by Mrs. Marian Winston, entitled "Art Without Frames." This will be directed by Mrs. Winston and Mr. Lee Dugan, both art teachers.

Those in the cast will be Pat Gilbert, Virginia Grattan, Richard Hevron, Ray Scofield, Lucille Ely, Barbara Shockley, Bill Anderson, Alice Jones, Sally Spencer and Marlee Devich.

San Tomas Adult Square Dancers'

A square dance group has been organized in the San Tomas area, and meets each Tuesday at 7:30 p.m. in the San Tomas School. All adults in the district are invited to attend. The group is for beginners and is conducted by Mr. Leonard Payton.

James Oswald Succumbs At 84

James Oswald, 84, stepfather of Mrs. Lulu Jermain of Campbell, died in San Jose on December 28.

A native of Montreal, Canada, Mr. Oswald is survived by his wife, Verrena, and his step-daughter. Private funeral services were held Saturday in San Jose, followed by interment in Santa Clara Cemetery.

M. L. Jones Fined

Mahlon L. Jones, 144 Kennedy Ave., Campbell, was fined $200 and had his driver's license suspended for one year. Jones had a prior conviction on the same charge.

School Students To Give Program Of Music, Talks for Country Women

A program to be furnished by Campbell school students will be the highlight of the Campbell Country Woman's Club meeting next Monday, January 9, at 2:30 p.m. in the library clubrooms.

High school public speaking students will give talks on the theme, "Beauty of Mind." Grammar School seventh and eighth graders in the mixed glee club will offer a musical program under the direction of Mrs. Robert McCall. Calvin Roll will be the accompanist.

Mothers of students participating in the program are invited by the club to attend. The musical program will begin at 2:45 p.m.

HOSTESSES

Mrs. Dean Chamberlin is chairman of the hostess committee, and Mrs. Oliver Price will have charge of the decorations. Those on the committee include Mesdames H. M. Shadle, G. H. Parker, Jessie Shelley, Henry Miller and Ralph Herring.

Highway Accident Kills Brother Of J. D. McCurdy

Ray McCurdy, 47, brother of J. D. McCurdy, 749 W. Parr Avenue, Campbell, was killed Monday at 3 p.m. in a highway auto accident near Wasco in Kern County. He was travelling on Highway 99 from Victorville to Campbell to take a carpentering job here. He was a native of Texas.

According to reports, McCurdy's car stalled on the highway. aLter, as another auto was towing his car, both vehicles went off the road. The highway was slick following a recent rain. McCurdy was readjusting the tow line when a third car went out of control and crashed into him. California Highway Patrol officers investigated.

Funeral services will be held Saturday at 2 p.m. from the Rutherford Funeral Home, Campbell, followed by interment at Los Gatos Cemetery.

Mr. McCurdy is survived by his widow, Mrs. Edna McCurdy of Sharp Park, San Mateo County; children Billy Ray, who lives with the McCurdys on Parr Avenue; Lex, of Sharp Park, and Joyce Ellen McCurdy of Vallejo; stepchildren Gene and Laura Harris of Sharp Park; brothers Ronald Earl McCurdy of Albuquerque, New Mexico; Thomas McCurdy of Santa Fe, New Mexico; J. D. McCurdy of Campbell, and sisters Mrs. Eula Menefee of Odessa, Texas, Mrs. Lena Webb of Denver City, Texas; Mrs. Geraldine Hancock of Albuquerque, New Mexico, and Mrs. Worthy Mason of Victorville.

B-36 Film Set For AFA Airpower Session Tuesday

A special Airpower meeting of the San Jose Squadron, Air Force Associatiation, has been scheduled for Tuesday night, 8:00 p.m., January 10, at the Ste. Claire Hotel, San Jose.

Bernard Barrett of Campbell, squadron commander, has announced that a special feature of the meeting will be an outstanding double feature motion picture program.

The first film will be "Target: Peace," a new film produced by Consolidated Vultee Aircraft Corporation, factually relating the story of the B-36 superbomber through all stages of inception, design, engineering, manufacture and operation by the 8th and 15th Air Forces of the Strategic Air Command. The film hints at greater developments of the B-36 just ahead, and shows scenes of the latest B-36 model, the "D" series equipped with four jet engines in addition to six propeller-driven power plants.

General H. H. Arnold recently saw the film and stated, "Every American should see the B-36 motion picture, 'Target: Peace.' It stars the B-36 bomber and the airmen of the Strategic Air Command, and is a lesson in common sense and a timely warning

Playground Gear To Be Installed At San Tomas

Grading work has been completed around the San Tomas School building, Principal William Shuey has announced, and the land is ready for installation of additional playground equipment.

Apparatus will include a slide built by Mr. Dale Lloyd and Mrs. Henry Duus, and a jungle gym built by another group of volunteers in Mr. Glen McCoy's workshop. Several other pieces were erected by volunteers last year, said Shuey, who added that plans for development of the playground include a couple of basketball courts.

A community work day, for the purpose of installing the new equipment, will be scheduled later this month.

THIS CALIFORNIA

A Weekly Column By Lt-Gov. Goodwin Knight

My ego has been dented. A farmer has written in, saying that he doesn't like the photograph of me that has been running in this column. I thought it was pretty snazzy—as they say in Hollywood.

Says this writer: "I have troubles enough without looking at your solemn face. Why don't you smile? A smile would add a cheery note to articles that deal with problems, worries, cares and uncertainties of farm life. Come on, Mr. Knight, let's see a smile . . ."

"I'll see what I can do, but even I admit I'm not exactly the Clark Gable type, although they tell me that I did once win a baby contest."

This same farmer adds: ". . .this year my strawberries had root aphids, crown borers, cyclamen mite, and verticillium fungus. I lost the entire crop, and am told by local agricultural advisors that I cannot use that field again for strawberries for several years. Surely there is some control for these calamities."

I pick out that word "calamities" for a little discussion. First, I quote from an article by A. Leopold, **Journal of Forestry**, October 1933. He says truthfully:

"Civilization is not as they (historians) often assume, the enslavement of a stable and constant earth. It is a state of mutual and interdependent cooperation between human animals, other animals, plants and soils, which may be disrupted at any moment by the failure of any one of them. Land spoilation has evicted nations and can do it again."

There is an harmonious balance in Nature that when maintained, permits crops to grow without too much damage from insects and diseases. Cultivated fields always upset this harmonious balance to some extent, and when strawberries or any other crop is grown on the same soil year after year, the "unbalance" because of mineral depletion and humus exhaustion becomes so great that **Nature in order to prevent the greater calamity of soil destruction, encourages insects and diseases to ravish the crops, so that the farmer will have to stop growing them.**

Crop rotation, planting of legumes, the introduction of green manures to the top soil is one way of restoring Nature's balance. Once the harmony has been restored, insects and plant diseases decrease to a point where they do comparatively little harm.

The boll weevil, for instance, by ruining cotton crops, forced growers to diversify—and the entire Southland benefits as Nature's balance again approaches normal.

If you have potato scab, verticillium, wilts, rusts, nematodes, wire worms or any other serious infestation, look to your farming procedure. You'll find the answer there.

EDITOR'S NOTE TO FARMERS: Lieutenant Governor Goodwin Knight, whose weekly column, "This California" is now a feature of this nawspaper, is making a survey of California farm problems, and asks your help. Write him a letter telling what's wrong with farming under present conditions. What can be done about it. Address your letters to Knight's Farm Problem Survey, Campbell, California.

CHRISTIAN SCIENCE LESSON-SERMON

"Sacrament" is the subject of the Lesson-Sermon to be read in all Christian Science churches on Sunday, January 8. The Golden Text is taken from Proverbs: "The preparations of the heart in man, and the answer of the tongue, is from the Lord . . . Commit thy works unto the Lord, and thy thoughts shall be established" (16:1, 3).

Included in the citations comprising the sermon will be the following:

The Bible: "Behold, I will send my messenger, and he shall prepare the way before me: and the Lord, whom ye seek, shall suddenly come to his temple, even the messenger of the covenant, whom ye delight in: behold, he shall come, saith the Lord of hosts. And he shall sit as a refiner and purifier of silver: and he shall purify the sons of Levi, and purge them as gold and silver, that they may offer unto the Lord an offering in righteousness" (Malachi 3:1, 3).

Science and Health: "Self-forgetfulness, purity, and affection are constant prayers. Practice not profession, understanding not belief, gain the ear and right hand of omnipotence and they assuredly call down infinite blessings. Trustworthiness is the foundation of enlightened faith. Without a fitness for holiness, we cannot receive holiness." (p. 15).

Local Orchardist Passes Away On New Year's Day

A well-known orchardist of the Campbell area, Charles Fammatre Sr., 62, succumbed on New Year's Day in a San Jose hospital after an illness of two months.

The late orchardist has been a resident of Santa Clara Valley for the past 35 years. Mr. Fammatre had been ill since undergoing major surgery.

Fammatre is survived by his wife, Marie; four children, Mrs. Elenore Hay of Campbell; Charles Fammatre Jr., Los Gatos; Mrs. Norma Harrison, Los Banos; and Mrs. Muriel Walker of Saratoga; and a sister, Mrs. Albertine E. Guichard, Oakland.

Funeral services were held Tuesday, January 3, in San Jose. Interment was private.

Journalism Major Taking Training At Press Office

A new temporary addition to the editorial staff of the Campbell Press is Hal Sousa, senior journalim major from San Jose State College, who is scheduled to do his newspaper internship with the local publication.

A native of San Jose, the former veteran's ambition is public relations work. Sousa will receive his AB from State college in June of this year.

Sapphires are found in the Australian states of New South Wales and Queensland.

Harry B. Hopkins Succumbs At 84 In Watsonville

Burial rites were held in Watsonville Wednesday for Harry B. Hopkins, 84, brother-in-law of Mrs. E. N. Sevy of Campbell, who passed away on January 1 in Watsonville.

Funeral services were held in Watsonville, followed by interment in Pajaro Valley Memorial Mausoleum.

Hopkins, a native of Iowa, is survived by four children, Mary Hedrick of Watsonville; Harriet Ross, San Jose; Kathryn Lewis, Berkeley; and John Hopkins, Santa Cruz; and brother, Will Hopkins, Watsonville. The late Mr. Hopkins was the grandfather of six grandchildren and two great-grandchildren.
